

Welcome to **Italo's Garden** at **Alameda Boys & Girls Club**. This *Edible Schoolyard Project*, founded in 2013, is managed by Seed to Table Director **Gretchen Doering** and is a key element in providing *Health & Life Skills* to 1,500 children, including students of **Nea School, Alameda Community Learning Center (ACLC)** and **Island High School**. Gardening activities take place year-round.
