

Invitation to the Alameda Compost Hub!  
Located at Farm2Market and Bay Area Makerfarm  
Starting on Wednesday March 16<sup>th</sup>

**Important information – please read everything below:**

- Access to the Compost Hub is open on Wednesdays and Saturdays from 10-5.
- Folks can enter through Farm2Market on Barbers Point Road or Makerfarm on Main Street.
- Parking is best outside of Makerfarm on Main St. There are signs showing where to park. No cars can pull inside either site, always park outside the farms.
- Please keep all gates securely closed to prevent Makerfarm animals from leaving farm!
- People need to bring their own buckets, bags, tarps, or whatever tools they'll use to transport compost. Visitors are responsible for loading their own compost and are welcome to take as much as they can safely transport.
- There are reusable burlap bags at the compost hub for people to use if they forget containers or need more, please return burlap bags timely so they can be reused!
- It is highly recommended that people read the on-site resources about using compost.
- Upon arrival, visitors need to complete these items on their phone via QR code or URL:
  - A Makerfarm waiver form, only the first time you visit.
  - A 1-2 minute online survey, every time you take from the compost hub.
